

SPEEDMEETING WITH NORDIC COMPOSERS

MONDAY FEB 11th 4 – 6 pm

NORWAY HOUSE across the street from Martin-Gropius Bau, Niederkirchnerstrasse

THANK YOU FOR THE MUSIC! Or maybe, you do not have any music at all...? Frankly speaking, you know that your new project would benefit from working with an original and professional composer. Speedmeeting with Nordic composers at Norway House gives you the chance to meet Nordic filmcomposers.

NORDIC FILM AND TV has been in the vogue for quite some time now, introducing the world to series like The Killing, Borgen, The Bridge (Broen), Wallander and Skam and films from Kaurismäki, Lars von Trier, Bent Hamer, to name a few. In short, there is a lot of quality to be found here, not the least in the music – now you have the chance to meet these composers.

RULES SPEEDMEETING each director/producer gets to meet each composer - and vice versa. a meeting lasts 9 minutes, after which you move on to the next meeting. It is fun, it is enlightening and there is a meet and greet afterwards.
